

Third-Party Payer Coverage and Administration

Several dental insurance reform bills are filed each year. Some measures have a direct impact on dental benefits while others propose indirect changes. The following pages provide a snapshot of the pertinent reform legislation in the states. Listed by topic, each table includes a brief summary of a state's bill along with the bill numbers and links to the respective state's websites. Legislative proposals can change often as lawmakers consider the various facts and opinions impacting the bills; therefore, this document is updated quarterly. Claims Review

<p>GEORGIA</p> <p>SB 80</p>	<p>Requires a private review agent or utilization review entity to ensure that all appeals are reviewed by an appropriate healthcare provider with a current and valid non-restricted license, who is in active practice in the same or similar specialty and who typically manages the medical condition or disease. The entity must be knowledgeable of, and have experience providing, the healthcare service under appeal and not directly involved in making the adverse determination.</p> <p>It must consider all known clinical aspects of the healthcare service under review, including, but not limited to, a review of all pertinent medical or other records provided to the private review agent or utilization review entity by the covered person's healthcare provider, any relevant records provided to such agent or entity by a facility, and any medical or other literature provided to such agent or entity by the healthcare provider.</p>
<p>LOUISIANA</p> <p>SB 82</p>	<p>Would add dental insurance plans to the existing state law making them subject to provisions of the Health Insurance Issuer External Review Act.</p>

[Back to Top](#)

Direct Primary Care Agreements (In-Office Plans)

<p>MASSACHUSETTS</p> <p>HD 3304</p> <p>H 322</p>	<p>Would establish laws supporting direct dental care agreements.</p>
<p>MONTANA</p> <p>SB 101</p>	<p>Prohibits provider from submitting claim for services in direct patient care agreement. Allows for the direct fee and any additional fees to be paid by a third party. Exempts direct patient care agreements from state insurance authority oversight. Insurers may not prohibit, interfere with, initiate a legal or administrative proceeding against, or impose a fine or penalty against a health care provider solely because the provider provides direct patient care solely because the person pays a direct fee for direct patient care.</p>

[Back to Top](#)

Disallow Clause Prohibition

<p>NEW JERSEY</p> <p>S 2853</p> <p>A 4820</p>	<p>Prohibits a carrier from including in an agreement between the carrier and a participating dentist a provision that allows the carrier to deny payment to a participating dentist for a procedure performed or for a service provided on behalf of a covered person and prohibits the dentist from collecting the amount owed from the covered person for that procedure or service.</p>

Medical Loss Ratio – Required Expenditure of Premium Revenues for Care

<p>ARIZONA SB 1824 HB 2896</p>	<p>The department shall prepare an annual report on the medical loss ratio for each dental insurer doing business in this state. In calculating the medical loss ratio, the department shall use data submitted by dental insurers in existing required regulatory filings.</p>
<p>MASSACHUSETTS HD 640 SD 1479 H 1182</p>	<p>Would establish requirements relative to medical loss ratio reporting for dental benefits corporations.</p>

[Back to Top](#)

Non-Covered Services

<p>NEW YORK A 2392</p>	<p>Would prevent an insurance or managed care company from including in any insurance or managed care contract any provisions that require a dentist to provide services to a covered person at a fee set by or at a fee subject to the approval of the insurer or managed care entity unless such services are covered under the person's dental plan.</p>
<p>OHIO HB 344</p>	<p>Prohibits insurers from requiring dentists charge discounted fee for non-covered services, but does allow for option to only charge discounted fee for non-covered services. No contract may be contingent on whether or not the dentist agrees to accept discounted fees for non-covered services. The bill would allow insurers to communicate to its enrollees which dentists will charge the insurer's discounted fee and which will charge their normal fee for non-covered services.</p> <p>A dentist who does not agree to limit their charge for non-covered services must provide to the patient the insurer's fee for the non-covered service, an estimated fee the dentist charges for the non-covered service, the amount the dentist expects to be reimbursed by the contracting entity for the non-covered service, and the estimated pricing and reimbursement information for any expected covered services. A dentist who does not agree to limit their charge for non-covered services must post a notice stating the following:</p> <p>“IMPORTANT: This dental care provider does not accept the fee schedule set by your insurer for dental care services that are not covered benefits under your plan and instead charges his or her normal fee for those services. This dental care provider will provide you with an estimated cost for each non-covered service.”</p>
<p>VERMONT HB 294 (Amended into SB 88)</p>	<p>Would prohibit dental insurance plans from imposing fee schedules on dentists for dental services that are not otherwise covered under the plan.</p>

[Back to Top](#)

Notification of Contract Changes

<p>UTAH HB 359</p>	<p>Under the bill, a dental insurer would have to post its current dental plan policies and procedures online and mail them to dentists upon request. This notification would have to include a summary of all material changes made to the dental plan since the policies and procedures were last updated.</p>

Prior Authorization

<p>GEORGIA</p> <p>SB 80</p>	<p>Prior authorization of a covered healthcare service shall be a guarantee of payment to the provider if such services are performed unless there is a billing error, fraud, material misrepresentation, or loss of coverage. An insurer shall make any current prior authorization requirements and restrictions readily accessible on its website to healthcare providers.</p>
<p>ILLINOIS</p> <p>HB 711</p>	<p>Prohibits health insurance issuers from revoking or further limiting, conditioning, or restricting a previously issued prior authorization approval while it remains valid. When a claim is properly coded and submitted timely to an insurer, the insurer must make payment according to the terms of coverage on claims for health care services for which prior authorization was required and approval received before the rendering of health care services, unless one of the specified allowances occurs such as fraud or eligibility issues. (Section 55)</p>
<p>MASSACHUSETTS</p> <p>H 1173</p> <p>SB 236</p>	<p>An insurer that provides a written predetermination of benefits that includes a specific benefit payment or reimbursement amount may not reimburse the dentist less than the amount set forth in the predetermination.</p>
<p>NEVADA</p> <p>SB 269</p>	<p>A health carrier who provides dental coverage or an administrator of a health benefit plan that includes dental coverage shall not refuse to pay a claim for dental care for which the health carrier or administrator, as applicable, has granted prior authorization unless certain conditions are met such as the patient's condition changing substantially between the authorization and delivery of services.</p>

<p>NORTH DAKOTA HB 1154</p>	<p>Prohibits dental benefit plan from denying a claim subsequently submitted by a dentist for procedures specifically included in a prior authorization, unless the denial is based on specified reasonable situations such as change in patient's condition.</p>

<h3>Provider Network Leasing</h3>	
<p>CONNECTICUT HB 6589</p>	<p>Concerns third-party access to participating dental provider contracts. Specifies the circumstances in which a health carrier, or a health carrier's contractor or subcontractor, may enter into a contract with a third party for the purpose of providing the third party with access to a participating dental provider contract. Includes opt-out clause for dentists.</p>
<p>IDAHO SB 1124</p>	<p>When extending a provider network to other entities, insurers would have to provide dentists full disclosure of the agreement, including any variations in obligations and fee schedule from the original contract. The insurer must provide at least two weeks for contracted dentists to confirm or decline participation.</p>
<p>LOUISIANA HB 387</p>	<p>Would only allow a contracting entity to lease a provider network contract may be leased, dentists are allowed to opt-out, the third party accessing the contract complies with the original contract, a listing of all third parties in existence as of the date of the contract or renewal is provided.</p> <p>Further requires the contracting entity to post all third parties in existence on its website, updated every 90 days. Prohibits a contracting entity from canceling or otherwise ending a contractual relationship if a provider opts out of a lease arrangement. Would also require a contracting entity to accept a qualified provider even if they reject a network lease option. Provides exemption for leasing companies.</p>
<p>NORTH DAKOTA HB 1154</p>	<p>Would prohibit insurers from granting to a third party access to a provider network contract unless the contract allows the participating dentist to choose to or not to participate in third-party access. Requires notification of lease option in contract.</p>
<p>SOUTH DAKOTA HB 1073</p>	<p>Any assignment or other contractual term in an agreement between an insurer and a dentist that purports to share, transfer, or assign contractual discounts to a third-party insurer or entity, without relinquishing the insurer's rights, is severable and voidable at the dentist's option. For purposes of this section, a third-party insurer or entity does not include an insurer or entity operating under the same brand licensee program as the contracting insurer.</p>

<p>UTAH</p> <p>HB 359</p>	<p>Establishes transparency and limitations on insurers' network leasing programs. Generally, the bills require clear and up-to-date notifications on insurers' lease arrangements with third parties. The bills also require insurers to provide the option for dentists to reject proposed lease arrangements.</p>

Telemedicine – Requires Coverage for Services

<p>COLORADO</p> <p>SB 139</p>	<p>The bill requires each dental plan issued, amended, or renewed to cover services offered to a covered person that are appropriately provided via telehealth.</p>
<p>PENNSYLVANIA</p> <p>SB 705</p>	<p>Insurers (including dental) must provide coverage for telemedicine delivered by a participating network provider who provides a covered service via telemedicine consistent with the insurer's medical policies. Would prohibit insurers from excluding a coverage for and payment of health care service solely because it is provided through telemedicine. Payment for a covered service provided via telemedicine by any participating network provider shall be negotiated between the health care provider and health insurer.</p>
<p>TEXAS</p> <p>HB 2056</p>	<p>Adds teledentistry and coverage requirements for teledentistry to existing state law that requires insurers to provide coverage for a covered health care service or procedure delivered by a preferred or contracted health professional to a covered patient as a telemedicine medical service or telehealth service on the same basis and to the same extent that the plan provides coverage for the service or procedure in an in-person setting.</p>

[Back to Top](#)

Transparency Issues

<p>MASSACHUSETTS</p> <p>H 1173</p> <p>SB 236</p>	<p>Would require full transparency on claim payment details including whether the plan pays using the Least Expensive Alternative Treatment (LEAT) and exact payment for procedures. Would require an insurer, employer, or employee organization to establish an Internet website to provide resources and accurate information to dentists, insureds, participants, employees, and members.</p> <p>The insurer must also post information about the plan sufficient for patients and dentists to determine the type of dental care services covered by the plan or policy and the amount of the payment or reimbursement available for those services under the plan or policy.
