

The American Dental Association offers a continuum of programs for students at your dental school! Enrich the dental education experience with programs that address student needs and interests in each of their four academic years. Contact the ADA to schedule your Success programs today at 1.800.621.8099 ext. 2808 or e-mail success@ada.org.

ADA American Dental Association®
America's leading advocate for oral health

ADA Office of Student Affairs
211 East Chicago Avenue
Chicago, Illinois 60611

1.800.621.8099, ext. 2808
success@ada.org

The ADA Office of Student Affairs (OSA) does more than Success programs. The OSA supports dental students from the start of dental school to the beginning of their careers. Contact us with questions about ADA resources, services and programs for dental students.

the Success
Dental
Student
Programs**

ADA American Dental Association®
America's leading advocate for oral health

Now you can schedule all four programs during the 2008-2009 academic year.

 **SUCCESS**
Smart Start
for Freshmen

This two-hour program addresses financial issues, dental career options, and tips for success in dental school. The agenda includes:

- Career opportunities and income information
- Postdoctoral training and specialty opportunities
- Student loans, level of debt, and interest rates
- Budgeting and managing finances
- Stress and time management

Tip: *The ideal time to schedule this program is between the 2nd and 8th week of dental school. Definitely avoid the first week of school and exam time!*

 **SUCCESS**
Professional Preview
for Sophomores

NEW! This two-hour program acquaints sophomore dental students with skills for the high-tech and high-touch dental practice of the future. The presentation includes:

- Communication and listening skills in clinic
- Critical thinking when assessing technology
- Ergonomics and dentistry

 **SUCCESS**
Career Strategies
for Juniors

NEW! This two-hour program addresses the skills necessary for professional success post-graduation. Topics include:

- Assessing your career philosophy
- Associateships and other employment opportunities
- CV writing
- Interviewing for professional positions and specialty programs

 **SUCCESS**
Practice Management
for Seniors

This full-day program addresses practice management aspects of dentistry and ethical aspects of dental practice. It also features useful information on ADA resources that are available to ADA members. The agenda includes:

- Recruiting and leading a successful dental team
- Production, collection and expense management
- Dental reimbursement and benefit plans
- Locating, financing and marketing the dental practice
- Patient expectations and dentist responsibilities
- Ethics—real life situations new dentists face

Tip: *Schedule this program early in the fourth year—before students finalize post-graduation plans.*

It's easy to schedule a Success Program

For more information or to schedule a program, contact the ADA Office of Student Affairs at 1.800.621.8099, ext. 2808 or e-mail success@ada.org. All programs are available to every school throughout the academic year. Programs are free of charge to the students and the dental school. For consistency of the educational experience, please schedule programs during class time or require student attendance.
