

National Board Dental Examinations: Part I and Part II
National Board Dental Hygiene Examination

Testing Checklist

1. **Bring two original, current forms of identification (ID) to the testing center:**
 - a) One government issued ID, bearing a photograph and a signature (i.e. driver license or passport)
 - b) One ID bearing a signature (i.e. social security card, credit card, debit card, library card)

2. **The name on your application and your IDs must match exactly** or you will be denied entry to testing and forfeit all examination fees.

(Matching names: Joseph Anthony Smith and Joseph Anthony Smith)

(Non-matching names: J. Anthony Smith and Joseph A. Smith and/or Joseph Anthony Smith-Johnson)

3. **No personal items are allowed in the secure testing area.** Secure all personal items, including your cell phone, in the assigned locker at the testing center. See the *NBDE Part I Guide*, *NBDE Part II Guide*, or the *NBDHE Guide* for examples of personal items.

4. **Immediately contact the Test Center Administrator with questions or concerns about testing conditions;** do not wait until you leave the testing center or complete the examination. Candidates who experience concerns about scheduling issues, testing conditions, or any unresolved problem should inform the Test Administrator before leaving the test center and record this information in the appropriate section of the post-test survey. For issues requiring further action, examinees must contact the JCNDE office **within five business days** of the testing appointment. Candidates, who experience an emergency on the day of testing which prevents them from testing, must contact the JCNDE office **within five business days** of the testing appointment.

5. **National Board Candidates will receive a *Notice of Completion*** upon completion of the examination and prior to leaving the testing center.
