THE ADA REDUCES DUES TO \$75 FOR AFFILIATE MEMBERSHIP

At its meeting in October, American Dental Association voted to set 2006 Affiliate membership dues at US\$75. Furthermore, dentists who practice in one of the countries deemed "least developed" by the FDI World Dental Federation pay a reduced rate. The goal of the new dues structure is to make ADA Affiliate membership more accessible to dentists around the world.

The new Affiliate dues rates make ADA membership an even greater value for dentists practicing outside of the United States! To help make the new rates possible, Affiliate members will now receive an electronic subscription to access the Journal of the American Dental Association online (no hard copy will be mailed). Affiliate members who wish to continue to receive a hard copy of JADA in the mail can subscribe to the journal for an additional fee.

Take time now to renew your membership or apply for ADA Affiliate membership if you aren't currently a member.

For Current Affiliate Members: It's easy to renew your membership for 2006. You can renew using a secure online system at [ADA.org](#). All you need is a valid Visa or MasterCard. You can also renew via mail by returning your 2006 dues invoice to the ADA along with your payment. Contact the ADA at 1+312.440.2699 or email membership@ada.org with questions about how to renew your Affiliate membership.

Not a Current ADA Affiliate Member? You can mail or fax [the Affiliate membership application](#), and return it along with your payment and copy of dental school diploma to the address or fax number on the application.

Important reminder for all new applicants for Affiliate Membership. In order for the ADA to process your application, we must receive a copy of your dental school diploma. Even if you apply for membership online, a copy of your diploma must still be faxed or mailed to the ADA for your application to be complete.
