In order to be recognized by the board as a bona fide accrediting organization for a specific area of dental practice other than a specialty area of dentistry authorized under subsection (c), the organization must condition membership or credentialing of its members upon all of the following:</p> <p>(1) Successful completion of a formal, full-time advanced education program that is affiliated with or sponsored by a university-based dental school that is beyond the dental degree, is at the graduate or postgraduate level, and is of at least 12 months in duration.</p> <p>(2) Prior didactic training and clinical experience in the specific area of dentistry which is greater than that of other dentists.</p> <p>(3) Successful completion of oral and written examinations based on psychometric principles.</p> <p>(g) Notwithstanding the requirements of subsections (e) and (f), a dentist who lacks membership in or certification, diplomate status, or other similar credentials from an accrediting organization approved as bona fide by the board may announce a practice emphasis in any other area of dental practice if the dentist incorporates in capital letters or some other manner clearly distinguishable from the rest of the announcement, solicitation, or advertisement the following statement: “(NAME OF ANNOUNCED AREA OF DENTAL PRACTICE) IS NOT RECOGNIZED AS A SPECIALTY AREA BY THE BOARD OF DENTAL EXAMINERS OF ALABAMA.” If such an area of dental practice is officially recognized by an organization which the dentist desires to acknowledge or otherwise reference in the dentist’s announcement, solicitation, or advertisement, the same announcement, solicitation, or advertisement shall also state prominently: “(NAME OF REFERENCED ORGANIZATION) IS NOT RECOGNIZED AS A BONA FIDE SPECIALTY ACCREDITING ORGANIZATION BY THE BOARD OF DENTAL EXAMINERS OF ALABAMA.”</p> <p>(h) The purpose of this section is to prevent a dentist from advertising without appropriate disclosure membership in an organization which may be perceived by the public as recognizing or accrediting specialization or other unique competencies in an area of dentistry that is not recognized or accredited by the board in accordance with this section.
