<p><b>General Licensure Requirements</b></p>	<p><a href="#">Delaware Code, Title 24, Chapter 11 CHAPTER 11. Dentistry and Dental Hygiene Subchapter II. Dentistry and Dental Hygiene § 1121 License required.</a>  <b>§ 1121. License required.</b></p> <p>(a) No person shall practice dentistry or dental hygiene or hold himself or herself out to the public in this State as being qualified to practice dentistry or dental hygiene or use in connection with the person's name, or otherwise assume or use, any title or description conveying or tending to convey the impression that the person is qualified to practice dentistry or dental hygiene unless such person has been duly licensed under this chapter.</p> <p>(b) A dental hygienist licensed under this chapter shall practice dental hygiene only under the general supervision of a licensed dentist, in the office of the licensed dentist or in any public school or other public institution of this State.</p> <p>(c) A licensed dental hygienist may practice under the general supervision of the State Dental Director, or the State Dental Director's designee, who shall be a licensed Delaware dentist, in schools and state institutions. A licensed dental hygienist may also practice under the general supervision of the State Dental Director, or the State Dental Director's designee, who shall be a Delaware licensed dentist, in federally qualified health centers, nonprofit organizations, and other locations as designated by the Delaware Health Care Commission in consultation with Delaware Institute for Dental Education and Research. The protocols under which hygienists practice in these settings will be established by the State Dental Director and shall be subject to the approval of the Delaware State Board of Dentistry and Dental Hygiene.</p> <p>(d) The State Dental Director must be a Delaware licensed dentist or have a community health license under § 1132B of this title. The State Director is an employee of a government-operated dental clinic.</p> <p>(e) Whenever a license to practice as a dentist or dental hygienist in this State has expired or has been suspended or revoked, it shall be unlawful for the person to practice dentistry or dental hygiene in this State.  <a href="#">73 Del. Laws, c. 332, § 1</a>; <a href="#">70 Del. Laws, c. 186, § 1</a>; <a href="#">77 Del. Laws, c. 463, § 3</a>; <a href="#">83 Del. Laws, c. 420, § 1</a>;</p> <p><b>§ 1122. Qualifications of applicant for Delaware-specific dental license; report to Attorney General.</b></p> <p>(a) An applicant who is applying for licensure as a dentist under this section shall submit evidence, verified by oath and satisfactory to the Board, that the applicant meets all of the following:</p> <ol style="list-style-type: none"> <li>(1) Has received a degree in dentistry from an accredited dental college or university accredited by the Commission on Dental Accreditation of the American Dental Association.</li> <li>(2) Before matriculating in a dental college or university, has completed at least 2 years of undergraduate study in an accredited college or university.</li> <li>(3) Meets 1 of the following:</li> </ol>

The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

	<p>a. Has acquired 1 year's experience as a dental intern within a general practice residency accredited by the Commission on Dental Accreditation of the American Dental Association ("CODA").</p> <p>b. Has completed a CODA-approved specialty residency with those specific rotations identified in the Board's rules and regulations.</p> <p>(4) Has achieved a passing score on the Delaware jurisprudence and National Board of Dental Examiners' examinations.</p> <p>(5) Has successfully completed the Delaware practical examination under § 1123 of this title.</p> <p>(b) An applicant who is applying for licensure as a dental hygienist under this chapter shall submit evidence, verified by oath and satisfactory to the Board, that such person has:</p> <p>(1) Graduated from high school or has received a general equivalency diploma (G.E.D.).</p> <p>(2) Graduated from a dental hygiene college or university program accredited by the Commission on Dental Accreditation of the American Dental Association of at least 2 academic years' duration; or</p> <p>(3) Graduated, prior to 1953, from a dental hygiene program of at least 1 year's duration, which program had been approved by the Board at the time of the person's graduation; and</p> <p>(4) Achieved the passing score on all examinations prescribed by the Board.</p> <p>(c) All applicants shall have complied with the following conditions:</p> <p>(1) Shall submit proof of current certification in cardiopulmonary resuscitation (CPR) technique in accordance with regulations adopted by the Board.</p> <p>(2) Shall not have been the recipient of any administrative penalties regarding the applicant's practice of dentistry or dental hygiene, including but not limited to fines, formal reprimands, license suspension or revocation (except for license revocations for nonpayment of license renewal fees), or probationary limitations, or have entered into any "consent agreements" which contain conditions placed by a Board on the applicant's professional conduct and practice, including any voluntary surrender of a license while under investigation the Board may determine, after a hearing or based on the documentation submitted, whether such administrative penalty is grounds to deny licensure.</p> <p>(3) Shall not have any impairment related to drugs or alcohol that would limit the applicant's ability to undertake the practice of dentistry or dental hygiene in a manner consistent with the safety of the public.</p> <p>(4) Does not have a criminal conviction for a crime substantially related to the practice of dentistry or dental hygiene. If however, after considering the factors set forth under § 8735(x)(3) of Title 29 through a hearing or review of documentation, the Board determines that granting a waiver would not create an unreasonable risk to public safety, the Board shall, by an affirmative vote of a majority of the quorum, waive this paragraph (c)(4). No waiver may be granted for a conviction of a felony sexual offense. A conviction for a felony sexual offense shall be considered, notwithstanding the time limitation set forth in § 8735(x)(4) of Title 29.</p> <p>a.-e. [Repealed.]</p> <p>(5) Shall not have engaged in any of the acts or offenses that would be grounds for disciplinary action under this chapter, and shall not have been the recipient of any administrative penalties regarding that applicant's practice as a dentist or dental hygienist, including but not limited to fines, formal reprimands, license suspensions or revocation, (except for license revocations for nonpayment of license renewal fees), probationary limitations, nor entered into any consent agreements which contain conditions placed by a Board on that applicant's professional conduct and practice, including any voluntary surrender of a license. The Board may determine</p>

The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

	<p>6.6.3 Table Clinics will be allowed, one (1) hour of credit per hour of presentation for a maximum of two (2) hours.</p> <p>6.6.4 Twelve (12) hours of credit shall be allowed for a scientific article published in a component or state society journal. 25 hours of credit shall be allowed for a scientific article published in a national journal or for a published scientific textbook or a chapter therein.</p> <p>6.6.5 Any public health dentally-related presentation will be allowed one (1) hour of credit per hour of participation for a maximum of two (2) hours for the two year period.</p> <p>6.6.6 Practice management or personal self-improvement courses shall be limited to a total of ten (10) hours for the two (2) year period.</p> <p>6.6.7 A dentist providing volunteer pro bono dental services acceptable to the Board will be allowed one hour of credit for each hour of patient service up to a maximum of 10 hours.</p> <p>6.6.7.1 Volunteer pro bono care is care provided in conjunction with a non-profit entity or event without receiving compensation.</p> <p>6.6.8 The Board reserves the right to approve any and all activities deemed appropriate for CPE credit. The Board also reserves the right and is the final word to disapprove any activities submitted for credit which it deems inappropriate.</p> <p>6.6.9 All dentists licensed to practice in Delaware shall be given written notice of these CPE requirements when receiving their initial license.</p> <p>6.6.10 For existing holders of an Unrestricted Permit for anesthesia, at least twelve (12) hours of the required CPE credits must be taken on an Anesthesia topic by the end of the six (6) year re-evaluation period (i.e. by the end of the third biennial licensure renewal period).</p> <p>6.6.11 For existing holders of a Restricted I Permit, at least six (6) hours of the required CPE credits must be taken on an Anesthesia topic by the end of the six (6) year re-evaluation period (i.e. by the end of the third biennial license renewal period).</p> <p>6.7 Exceptions</p> <p>6.7.1 An exception will be granted to any dentist who can demonstrate to the Board an acceptable cause as to why he/she should be relieved of this obligation. Exemptions will be granted only in unusual or extraordinary circumstances. Licensees must petition the Board for exemptions. Should the Board deny the request, the licensee must complete the requirements. Examples of circumstances for which the Board might grant exemptions include prolonged illness, extended absence from the country, or the like.</p> <p>6.7.2 An individual initially licensed by the Board within the last 2 years shall meet the following schedule of reporting CPE credits for license renewal:</p> <p>6.7.2.1 If, as of May 31st of the year for license renewal, the licensee has been licensed for less than 1 year, zero hours of CPE is required for license renewal; for licensees who are 1 or more but less than 2 years from their initial licensure, one-half of the required CPE must be presented; for individuals 2 years or more from their initial licensure, the full CPE requirement must be presented for renewal.</p> <p>6.8 Audit of Continuing Education Contact Hours</p> <p>6.8.1 Audit. Each biennium, the Division of Professional Regulation shall randomly select from the list of renewed licensees a percentage of licensees, determined by the Board, to be audited. The Board may also audit based on complaints or charges against an individual license, relative to compliance with continuing education requirements or based on a finding of past non-compliance during prior audits.</p> <p>6.8.2 Documentation. When a licensee is selected for audit, the licensee shall be required to submit documentation showing detailed accounting of the various CPEs claimed by the licensee. Licensees selected for random audit are required to</p>

	<p>supplement the attestation with supporting materials which may include a syllabus, agenda, itinerary or brochure published by the sponsor of the activity and a document showing proof of attendance (i.e., certificate, a signed letter from the sponsor attesting to attendance, report of passing test score). The Board shall attempt to verify the CPEs shown on the documentation provided by the licensee. Upon completion of the review, the Board will decide whether the licensee's CPEs meet the requirements of these regulations.</p> <p>6.8.2.1 Any continuing education not meeting all provisions of these regulations shall be rejected in part or in whole by the Board</p> <p>6.8.2.2 Any incomplete or inaccurate documentation of continuing education may be rejected in part or in whole by the Board.</p> <p>6.8.2.3 Any continuing education that is rejected must be replaced by acceptable continuing education within a reasonable period of time established by the Board. This continuing education will not be counted towards the next renewal period.</p> <p>6.8.3 Board Review and Hearing Process. The Board shall review all documentation requested of any licensee shown on the audit list. If the Board determines the licensee has met the requirements, the licensee's license shall remain in effect. If the Board initially determines the licensee has not met the requirements, the licensee shall be notified and a hearing may be held pursuant to the Administrative Procedures Act. This hearing will be conducted to determine if there are any extenuating circumstances justifying the apparent noncompliance with these regulations. Unjustified noncompliance with these regulations shall be considered unprofessional conduct and grounds for discipline pursuant to 24 <b>Del.C.</b> §1128(6).</p> <p>6.8.4 Sanctions for Unjustified Noncompliance. If the Board finds unjustified non-compliance, the Board will impose discipline in accordance with 29 <b>Del.C.</b> §1129 which may include, but is not limited to monetary penalties up to \$1,000, suspension and/or revocation of a practitioner's license.</p> <p>6.9 Continuing Professional Education (CPE) - Dental Hygienists [24 <b>Del.C.</b> §1106(a)(1) and (7)]</p> <p>All persons licensed to practice dental hygiene in the State of Delaware shall be required to acquire twenty-four (24) hours of CPE credit every two (2) years. Two (2) of the 24 credit hours shall be obtained in courses covering infection control. In addition to the CPE, licensees must provide evidence that they have and successfully completed a current course in cardiopulmonary resuscitation (CPR) every two (2) years. The CPR course must encompass hands on clinical participation. On-line courses will not be accepted to satisfy the CPR requirement. Examples of acceptable courses include, but are not limited to, courses offered by the American Red Cross and the American Heart Association. All Dental hygienists, upon initial licensure and prior to registration renewal, shall be given written notice of these CPE requirements.</p> <p>6.9.1 Proof of continuing education is satisfied with an attestation by the licensee that he or she has satisfied the Requirements of subsection 6.9.</p> <p>6.9.2 Attestation must be completed electronically at the time of renewal.</p> <p>6.9.3 Licensees selected for random audit will be required to supplement the attestation with attendance verification pursuant to subsection 6.12.</p> <p>6.9.4 CPE credits may be granted upon proof of successful completion of programs including, but not limited to, the following categories:</p> <p>6.9.4.1 Scientific CPE programs or courses, including live webinars, sponsored or approved by:</p> <p>6.9.4.1.1 American Dental Hygienists Association, its constituents and components</p> <p>6.9.4.1.2 American Dental Association, its constituents and components</p> <p>6.9.4.1.3 American Dental Assisting Association, its constituents, and components</p>
