The documentation must include the date, location, and duration of the activity; the name of the presenter; the name of the course or program; an agenda showing the content of the program; and the number of credit hours claimed. Continuing education printouts or logs maintained by a third party and provided to the Board by the licensee are not acceptable unless the printout or log contains all of the following information:</p> <ol style="list-style-type: none"> <li>(1) The date, location, and duration of the activity.</li> <li>(2) A certificate of completion documenting the name of the course or program, and the number of credit hours earned.</li> <li>(3) The name of the continuing education presenter and/or organization providing the activity.</li> </ol> <p>If the third party does not have a certificate of completion to document the activity, then it is the licensee's responsibility to maintain documentation to substantiate the activity in accordance with this chapter.</p> <p>V. Audit</p> <p>A. Certification of continuing education for renewal</p> <p>At the time of application for renewal, each licensee must certify, on a form provided by the Board, compliance with the continuing education credit hours required during the preceding license term or during the continuing education period established in statute or by Board rule. No additional information or continuing education documentation is required to be submitted at the time of renewal. However, the licensee must retain documentation of all continuing education credit hours earned during the most recent license renewal term for two years' post-renewal.</p> <p>B. Verification of compliance by audit</p> <p>Applicants for license renewal will be selected on a random basis for audit of continuing education compliance. In addition, an individual licensee may be selected for an audit as part of an investigation or if there is reasonable cause to believe the licensee has provided a false certification concerning the completion of continuing education requirements.</p> <p>Licensees selected for audit will be notified to submit documentation of the continuing education activities that were certified by the licensee at the time of renewal. Continuing education credit hours that cannot be documented in accordance with the documentation requirements of Section IV(B) or that do not satisfy the criteria for continuing education contained in statute or Board rule will be disallowed.</p> <p>VI. Pre-approval of Continuing Education Activities</p> <p>The Board may pre-approve courses, seminars, and workshops, to ensure the activity is directly related to dental practice only at the request of a provider of the continuing education. A seminar, workshop, or institute for which pre-approval has been sought but denied is not eligible for continuing education credit.</p> <p>VII. The Audit Findings</p> <p>If data submitted to the Board pursuant to an audit does not fulfill the requirements of this chapter, then the licensee shall be notified of the Board's failed audit finding. A failed audit constitutes unprofessional conduct and the Board may, without hearing, enter into a consent agreement with a licensee who has not met the continuing education requirements of this chapter.</p> <p>VIII. Waivers, Extensions, First Renewal, Inactive Status</p> <p>A. Waiver/extension. Upon receipt of a written request prior to license expiration, the Board may, in its discretion, grant an extension of time or other waiver to an individual licensed or certified by the Board who, because of</p>

First renewal; general requirements. Licensees who renew for the first time must complete one half of the required continuing education credit hours as outlined in this chapter and have a current BLS certification.</p> <p>C. First renewal for dentists. Dentists who are renewing for the first time must complete one half of the required continuing education credit hours as outlined in this chapter and must have a current BLS certification. The content of the credit hours must include completion of 3 credit hours in opioid medication prescribing as a condition to prescribe opioid medication, and completion of 6 credit hours of sedation and/or anesthesia training as a condition to administer sedation under Chapter 14 of the Board's rules.</p> <p>D. Active to Inactive License Status. To place an active license on inactive status, the licensee must submit a written request to the Board attesting that services will not be rendered during the remainder of the license term. Licensees with an inactive status are required to renew their licenses but are not required to complete continuing education credit hours under this chapter.</p> <p>E. Inactive to Active License Status. To place an inactive license on active status, the licensee must submit a written request to the Board, documented evidence of completing continuing education credit hours as outlined below, and a current BLS certification card. For purposes of this section, the Board may require dentists to comply with the opioid prescription and the sedation techniques training required under this chapter.</p> <p>(1) Licensees who hold an inactive license status for a period less than five years must complete one-half of the continuing education credit hours required for the license they hold under this chapter and present a current BLS certification, to return the license to active status.</p> <p>(2) Licensees who hold an inactive license status for a period exceeding five years must complete all of the continuing education credit hours required for the license they hold under this chapter and present a current BLS certification, to return the license to active status.</p> <p>IX. Transition Language</p> <p>Individuals who are licensed on the effective date of this revised Chapter 13 may use credits earned pursuant to the former Chapter 13 to satisfy continuing education requirements for their first license renewal due on or after this revision's effective date. Continuing education requirements of this newly-effective Chapter 13 shall apply to subsequent renewals by those individuals and to individuals initially licensed after this revision's effective date.</p> <p>However, this does not exempt dentists from completing the 3 hours of opioid training as a condition to prescribe opioids, or completing 6 hours of sedation training as a condition to renew a sedation permit.</p> <p>Expanded function dental assistants who transition to a two-year license term on or after the effective date of this chapter are required to complete 20 credit hours of continuing education directly related to dental practice during the preceding two-year license term as set forth in this subsection and has a current BLS certification. The license term begins the day the license is issued and ends on ends December 31st of even numbered years.</p>
