<p>General Licensure Requirements</p>	<p>Minnesota Statutes 150A.06 Licensure Subdivision 1.Dentists. A person of good moral character who has graduated from a dental program accredited by the Commission on Dental Accreditation, having submitted an application and fee as prescribed by the board, may be examined by the board or by an agency pursuant to section 150A.03, subdivision 1, in a manner to test the applicant's fitness to practice dentistry. A graduate of a dental college in another country must not be disqualified from examination solely because of the applicant's foreign training if the board determines that the training is equivalent to or higher than that provided by a dental college accredited by the Commission on Dental Accreditation. In the case of examinations conducted pursuant to section 150A.03, subdivision 1, applicants shall take the examination prior to applying to the board for licensure. The examination shall include an examination of the applicant's knowledge of the laws of Minnesota relating to dentistry and the rules of the board. An applicant is ineligible to retake the clinical examination required by the board after failing it twice until further education and training are obtained as specified by the board by rule. A separate, nonrefundable fee may be charged for each time a person applies. An applicant who passes the examination in compliance with subdivision 2b, abides by professional ethical conduct requirements, and meets all other requirements of the board shall be licensed to practice dentistry and granted a general dentist license by the board. Subdivision.3.Waiver of examination. (a) All or any part of the examination for dentists, dental therapists, dental hygienists, or dental assistants, except that pertaining to the law of Minnesota relating to dentistry and the rules of the board, may, at the discretion of the board, be waived for an applicant who presents a certificate of having passed all components of the National Board Dental Examinations or evidence of having maintained an adequate scholastic standing as determined by the board. (b) The board shall waive the clinical examination required for licensure for any dentist applicant who is a graduate of a dental school accredited by the Commission on Dental Accreditation, who has passed all components of the National Board Dental Examinations, and who has satisfactorily completed a Minnesota-based postdoctoral general dentistry residency program (GPR) or an advanced education in general dentistry (AEGD) program after January 1, 2004. The postdoctoral program must be accredited by the Commission on Dental Accreditation, be of at least one year's duration, and include an outcome assessment evaluation assessing the resident's competence to practice dentistry.
