

<p>Initial Licensure Examination Requirements</p>	<p>CDCA, CITA, CRDTS, SRTA, WREB Source: Nebraska Board of Dentistry - Dentist Application</p>
<p>General Licensure Requirements</p>	<p>Nebraska Statutes 38-1117. Dentistry; license; requirements. (1) Every applicant for a license to practice dentistry shall (a) present proof of graduation with a Doctor of Dental Surgery degree or a Doctor of Dental Medicine degree from an accredited school or college of dentistry, (b) pass an examination approved by the Board of Dentistry which shall consist of the National Board Dental Examinations, both Part I and Part II, as constructed and administered by the American Dental Association Joint Commission on National Dental Examinations, (c) demonstrate the applicant's skill in clinical dentistry by passing the practical examination administered by the Central Regional Dental Testing Service or any other regional or state practical examination that the Board of Dentistry determines to be comparable to such practical examination, (d) pass a jurisprudence examination approved by the board that is based on the Nebraska statutes, rules, and regulations governing the practice of dentistry and dental hygiene, and (e) demonstrate continuing clinical competency as a condition of licensure if required by the board. (2) Upon completion of these requirements, the department, with the recommendation of the board, shall issue the applicant a license to practice dentistry. 172 Nebraska Administrative Code, Chapter 56 003. LICENSE REQUIREMENTS. To obtain a temporary license or an initial license, an individual must submit a complete application provided by the Department, provide documentation demonstrating that the applicant meets the licensing requirements of Neb. Rev. Stat. §§ 38-1117 or 38-1120, Neb. Rev. Stat. § 38-131, 172 NAC 10, and these regulations. 003.01 EXPERIENCE. Applicants applying for an initial license or a temporary license on the basis of a credential in another jurisdiction must provide direct source verification of certification of a credential to practice dentistry submitted to the Department by the jurisdiction. 003.02 EXAMINATION. Applicants must: (A) Demonstrate passage of the licensure examination with a score of 75 or above on Part I and Part II of the National Board Dental Examinations or equivalent as approved by the Board; (B) Demonstrate passage of the practical examination with the score of 75 or above on each part of the examination within the past 5 years; and (C) Demonstrate passage of a jurisprudence examination with a score of 75 or above.</p>
<p>License by Credential/ Endorsement Requirements</p>	<p>Nebraska Statutes 38-1120. Dentist; reciprocity; requirements. Every applicant for a license to practice dentistry based on a license in another state or territory of the United States or the District of Columbia shall meet the standards set by the board pursuant to section 38-126 and shall have been actively engaged in the practice of dentistry for at least three years, one of which must be within the three years immediately preceding the application, under a license in another state or territory of the United States or the District of Columbia. Practice in an accredited school or college of dentistry for the purpose of completing a postgraduate or residency program in dentistry also serves as active practice toward meeting this requirement. 172 Nebraska Administrative Code, Chapter 56 003.01 EXPERIENCE. Applicants applying for an initial license or a temporary license on the basis of a credential in another jurisdiction must provide direct source verification of certification of a credential to practice dentistry submitted to the Department by the jurisdiction.</p>

	<p>(R) Advertising as an American Dental Association Specialist without having completed a post-doctoral program in a specialty area of dentistry consisting of at least 2 full-time years and which is accredited by an accreditation agency that is recognized by the United States Department of Education.</p>
<p>Continuing Education</p>	<p>172 Nebraska Administrative Code, Chapter 56 007. Continuing Education On or before March 1 of each odd-numbered year, each dentist holding an active license must complete at least 30 hours of acceptable continuing education during the preceding 24-month period. Each licensee is responsible for maintaining certificates or records of continuing education. A dentist holding a dental locum tenens license is not required to meet continuing education requirements. Temporary dental licenses will expire 1 year from the date of issuance, or when the postgraduate or residency program ends and are not required to meet continuing education requirements. 007.01 ACCEPTABLE CONTINUING EDUCATION TOPICS AND ACTIVITIES. The following are acceptable continuing education sources and activities: (A) State and national meetings of the local, state, or American Dental Association, local, state, or National Dental Association, or educational programs sponsored by the recognized specialty groups in dentistry of the American Dental Association; (B) Attendance at district meetings and study clubs; (C) Formal education courses which relate directly to the practice of dentistry; (D) College or University-sponsored courses in continuing education in dentistry; (E) Licensee acting as table clinician or lecturer to licensed dentists, licensed dental hygienists, licensed or unlicensed dental assistants or licensee attending table clinics; (F) Home study with a testing mechanism. If there is not a testing mechanism or certificate of completion, the licensee must submit an abstract or summary of the material covered to the Board of Dentistry. The abstract or summary must be written by only the licensee and will be reviewed. Interactive webinars which include the ability of the participant to interact with the presenter are not considered home study; (G) Direct clinical observation; (H) Initial cardiopulmonary resuscitation (CPR) certification or cardiopulmonary resuscitation recertification; (I) Faculty overseeing dental clinic education of students; (J) Dental public health continuing education; (K) Ethics and professionalism continuing education; (L) Well-being or substance abuse continuing education; (M) Infection control continuing education; (N) Practice management continuing education; (O) Administration and management of anesthesia or sedation for the dental office continuing education; (P) Prescribing opiates and the prescription drug monitoring program continuing education; or (Q) Participating in a volunteer activity such as Mission of Mercy or equivalent. 007.02 CONTINUING EDUCATION CRITERIA. To be considered acceptable for continuing education, the activity must meet the following criteria: (A) Be at least 50 minutes in duration; (B) Objectives must relate to the practice of dentistry; (C) Presenters must be qualified by education, experience, or training; (D) Must be open to all licensed dentists who meet the pre-requisites for the activity; and (E) The provider must have a process for verifying attendance and issue a certificate of attendance for each participant. Each certificate must include the following: (i) Program name; (ii) Name of the participant and the participant's license number; (iii) Provider's name; (iv) Dates the activity began and ended; and (v) Number of hours attended by the licensee.</p>

Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

007.03 CRITERIA FOR A HOME STUDY PROGRAM.

To be considered acceptable for continuing education, a home study program must meet the following criteria: (A) Objectives must relate to the practice of dentistry; (B) Must have a post-test or other method of assessment which verifies that the licensee completed the program; and (C) The author(s) or developer(s) of the program must meet the following qualifications: (i) Experience in the content and subject matter of the program; (ii) Expertise in teaching and instructional methods suitable to the subject presented; and (iii) Suitable academic qualifications, certification credentials, or experience for or in the subject of the program.

007.04 CREDIT HOUR CALCULATIONS.

Credits earned in excess of thirty hours in a 24 month renewal period do not carry over into the following period. A dentist may receive credit for acceptable continuing education activities, subject to the credit number limitations and requirements set out below:

(A) A maximum of 10 hours each in a renewal period may be obtained through home study or for initial cardiopulmonary resuscitation (CPR) certification;

(B) A maximum of 2 hours each in a renewal period may be obtained as a table clinician or lecturer or for direct clinical observation;

(C) A maximum of 4 hours each in a renewal period may be obtained for cardiopulmonary resuscitation (CPR) re-certification or practice management continuing education;

(D) A maximum of 5 hours in a renewal period may be obtained for faculty overseeing dental clinic education of students;

(E) A minimum of 2 hours in a renewal period must be obtained in infection control continuing education;

(F) If the licensee prescribes controlled substances, continuing education that meets the requirements set in Neb. Rev. Stat. § 38-145;

(G) A minimum of 6 hours in a renewal period must be obtained in general anesthesia or sedation administration and management for the dental office continuing education for licensees holding any level of sedation permit;

(H) A licensee who is a presenter of a continuing education program may receive a maximum of 2 hours for the creation of a presentation, and a maximum of 2 hours for the initial presentation of the program during a renewal period. Credit will not be given to the licensee for subsequent presentations of the same program; or

(I) A maximum of 5 hours in a renewal period for participating in a volunteer activity such as Mission of Mercy or equivalent.
