

<p>Initial Licensure Examination Requirements</p>	<p>PGY1 - Beginning January 1, 2007, all applicants for initial licensure must complete an approved clinically-based dental residency program of at least one year's duration. A clinical (practical) examination such as NERB/CDCA will not be accepted for initial licensure after December 31, 2006. Source: New York Code Rules and Regulations, Title 8, Part 61, §61.18. Residency program requirement for dental licensure</p>
<p>Original Licensure Requirements</p>	<p>New York Statutes, Title VIII, Article 133 §6604 Requirements for a license as a dentist. To qualify for a license as a dentist, an applicant shall fulfill the following requirements:</p> <ol style="list-style-type: none"> 1. Application: file an application with the department; 2. Education: have received an education, including a doctoral degree in dentistry, in accordance with the commissioner's regulations; 3. Experience: have experience satisfactory to the board and in accordance with the commissioner's regulations, provided that such experience shall consist of satisfactory completion of a clinically-based postdoctoral general practice or specialty dental residency program, of at least one year's duration, in a hospital or dental facility accredited for teaching purposes by a national accrediting body approved by the department, provided, further that any such residency program shall include a formal outcome assessment evaluation of the resident's competence to practice dentistry acceptable to the department; 4. Examination: pass a written examination satisfactory to the board and in accordance with the commissioner's regulations; 5. Age: be at least twenty-one years of age; 6. Citizenship or immigration status: be a United States citizen or an alien lawfully admitted for permanent residence in the United States; provided, however, that the board of regents may grant a three year waiver for an alien to practice in an area which has been designated a federal dental health professions shortage area, except that the board of regents may grant an additional extension not to exceed six years to an alien to enable him or her to secure citizenship or permanent resident status, provided such status is being actively pursued; 7. Character: be of good moral character as determined by the department; and 8. Fees: pay a fee of two hundred twenty dollars to the department for admission to a department conducted examination and for an initial license, a fee of one hundred fifteen dollars for each reexamination, a fee of one hundred thirty-five dollars for an initial license for persons not requiring admission to a department conducted examination, and a fee of two hundred ten dollars for each triennial registration period. <p>New York Code Rules and Regulations, Title 8, Part 61, Dentistry §61.1 Professional study of dentistry.</p> <ol style="list-style-type: none"> a. To meet the professional education requirement, the applicant shall present evidence of the completion of not less than 60 semester hours of preprofessional education including courses in general chemistry, organic chemistry, biology or zoology and physics and a program of professional education consisting of either: <ol style="list-style-type: none"> 1. the completion of a program of dental education of not less than four academic years, or the equivalent thereof, registered by the department or accredited by an accrediting organization acceptable to the department; or 2. the completion of not less than four academic years of dental education satisfactory to the department, culminating in a

	<p style="margin-left: 40px;">ii. An applicant attending a program of dental education registered by the department, or accredited by an accrediting organization acceptable to the department, may be admitted to Part II during the last year of study.</p> <p>4. Passing score. The passing score in each subject of each part shall be 75.0, as determined by the State Board for Dentistry.</p> <p>§61.18 Residency program requirement for dental licensure.</p> <p>a. Definitions. As used in this section:</p> <p>1. Acceptable national accrediting body means until December 31, 2006 the Commission on Dental Accreditation of the American Dental Association, and thereafter it means an organization accepted by the department as a reliable authority for the purpose of accreditation of dental residency programs, applying its criteria for granting accreditation in a fair, consistent, and nondiscriminatory manner, such as the Commission on Dental Accreditation of the American Dental Association, its successors, or an equivalent organization as determined by the department.</p> <p>2. Competent to practice dentistry means the level of knowledge and skills necessary to perform safely and independently the practice of dentistry consistent with the definition of the practice of dentistry in section 6601 of the Education Law.</p> <p>b. Residency program. To be acceptable to the department for purposes of licensure under section 6604 of the Education Law, a residency program shall meet the requirements of this section.</p> <p>1. The residency program shall be a postdoctoral dental residency program in either general dentistry, or a specialty of dentistry as defined in paragraph (2) of this subdivision, of at least one year's duration in a hospital or facility accredited for teaching purposes by an acceptable national accrediting body, which is completed successfully by the applicant prior to the submission to the department of the application for licensure.</p> <p>2. The accredited residency program in a specialty of dentistry shall be in the specialty of endodontics, oral and maxillofacial surgery, orthodontics and dentofacial orthopedics, pediatric dentistry, periodontics, prosthodontics, oral and maxillofacial pathology, oral and maxillofacial radiology, dental anesthesiology, dental public health, orofacial pain, oral medicine, or another specialty of dentistry, as determined by the department.</p> <p>3. The accredited residency program shall include a formal written outcome assessment which is acceptable to the department, which shall include a written statement by the residency program director attesting that the applicant has successfully completed the accredited residency program as defined in this section, and is, in the director's judgment, competent to practice general dentistry or a specialty of dentistry.</p> <p>c. A residency program that has not met the requirements of this section shall not be acceptable to the department for purposes of licensure under this section. A formal written outcome assessment shall not be acceptable to the department for purposes of licensure under this section if it does not meet the requirements of paragraph (b)(3) of this section.</p> <p>d. In accordance with subdivision (5) of section 6605 of the Education Law, not later than 60 days after entry into an acceptable residency program, and annually thereafter for the duration of such residency program, the dental resident shall register on a form acceptable to the department and pay to the department a residency registration fee in the amount prescribed for limited permit fees in subdivision (4) of section 6605 of the Education Law.</p>

<p>License by Credential/Endorsement</p>	<p>New York Code Rules and Regulations, Title 8, Part 61, Dentistry §61.4 License as a dentist by endorsement. a. For endorsement of a dental license issued by another jurisdiction of the United States or a Canadian province the applicant shall submit satisfactory evidence of: 1. having met all requirements of section 59.6 of this Subchapter; and 2. lawful and reputable practice in dentistry or not less than eight months during the two years next preceding the filing of the application.</p> <p>§59.6 License by endorsement. An applicant for endorsement of a license issued by another jurisdiction shall establish that the applicant: meets all requirements of section 6506 (6) of the Education Law; has had satisfactory professional experience of at least two years following initial licensure, unless a different period is provided in the regulations pertaining to a particular profession; and has not attempted unsuccessfully a licensing examination used by the State of New York either prior to or after making application for licensure by endorsement, unless such applicant has later passed a comparable licensing examination.</p>
<p>Specialty Practice</p>	<p>Rules of the Board of Regents § 29.5 Special provisions for the professions of dentistry and dental hygiene. Unprofessional conduct in the practice of dentistry and dental hygiene shall include all conduct prohibited by Sections 29.1 and 29.2 of this Part except as provided in this section, and shall also include the following: a. Failing to comply with a signed agreement to practice dentistry in New York State in an area designated by the Commissioner of Education as having a shortage of dentists or refusing to repay dental education costs in lieu of such required service, or failing to comply with any provision of a written agreement with the State or any municipality within which the licensee has agreed to provide dental service, or refusing to repay funds in lieu of such service as consideration of awards made by the State or any municipality thereof for his or her professional education in dentistry, or failing to comply with any agreement entered into to aid his or her dental education. b. Claiming professional superiority or special professional abilities, attainments, methods or resources, except that a practitioner who has completed a program of specialty training approved by the Board of Regents in a specialty recognized as such by the Board of Regents, or who can demonstrate to the satisfaction of the department the completion of the substantial equivalent of such a program, may advertise or otherwise indicate the specialty. A practitioner who has completed all of the requirements for specialty qualification except an examination may advertise or otherwise indicate the additional training which has been acquired. The phrase practice limited to shall be deemed a claim of special professional abilities, and may be used only by dentists who have completed specialty training satisfactory to the department or dentists who have restricted their practice to a dental specialty prior to January 1, 1979. This subdivision shall apply in addition to Section 29.1(b)(12)(i)(f) of this Part.</p>
<p>Continuing Education</p>	<p>New York Statutes, Title VIII, Article 133 §6604-A Mandatory continuing education for dentists. 1. a. Each dentist, licensed pursuant to this article, required to register triennially with the department to practice in this state</p>

The ADA attempts to keep this information current based on information from state dental boards, clinical testing agencies and state dental associations. Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

	<p>shall comply with the provisions of the mandatory continuing education requirements, except as set forth in paragraphs (b) and (c) of this subdivision. Dentists who do not satisfy the mandatory continuing education requirements shall not practice until they have met such requirements and have been issued a registration or conditional registration certificate.</p> <p>b. Dentists shall be exempt from the mandatory continuing education requirement for the triennial registration period during which they are first licensed. In accordance with the intent of this section, adjustments to the mandatory continuing education requirement may be granted by the department for reasons of health, certified by a physician, for extended active duty with the armed forces of the United States, or for other good cause acceptable to the department which may prevent compliance.</p> <p>c. A licensed dentist not engaged in public practice as an individual practitioner, a partner of a partnership, a shareholder of a professional service corporation, or an employee of such practice units, shall be exempt from the mandatory continuing education requirement upon the filing of a statement with the department declaring such status. Any licensee who returns to the public practice of dentistry during the triennial registration period shall notify the department prior to reentering the profession and shall meet such mandatory continuing education requirements as shall be prescribed by regulation of the commissioner.</p> <p>2. During each triennial registration period an applicant for registration shall complete a minimum of sixty hours of acceptable formal continuing education, a maximum of eighteen hours of which may be self-instructional coursework as approved by the department. Beginning with the first registration renewal period for any dentist occurring on or after January first, two thousand two, and before the occurrence of the second registration renewal period following that date, a dentist shall have completed on a one-time basis, as part of the sixty hours of acceptable formal continuing education required by this section, no fewer than two hours of coursework and training regarding the chemical and related effects and usage of tobacco and tobacco products and the recognition, diagnosis, and treatment of the oral health effects, including but not limited to cancers and other diseases, caused by tobacco and tobacco products, provided that any dentist who provides written proof satisfactory to the department that the dentist has completed, at any time subsequent to the effective date of this section, an approved mandatory continuing education course of not less than two hours in the same or substantially similar subject matter shall be deemed to have met this requirement, and further provided that dentists who are exempt from the mandatory continuing education requirement for the triennial registration period during which they are first licensed shall also be exempt from this requirement for that period. Any dentist whose first registration date following the effective date of this section occurs less than three years from such effective date, but on or after January first, nineteen hundred ninety-eight and before July first, two thousand eight, shall complete continuing education hours on a prorated basis at the rate of one and one-quarter hours per month for the period beginning January first, nineteen hundred ninety-seven up to the first registration date</p>

Individuals seeking dental licensure should consult with the state board of dentistry and their professional advisors for the complete and most recent dental licensure information, application requirements, forms and fees.

thereafter. For any registration period beginning before July first, two thousand eight and ending on or after such date, each dentist shall complete continuing education hours on a pro rata basis at a rate of one and one-quarter hours per month for the period ending June thirtieth, two thousand eight and at a rate of one and two-thirds hours per month for the period beginning July first, two thousand eight up to the first registration date thereafter. A licensee who has not satisfied the mandatory continuing education requirements shall not be issued a triennial registration certificate by the department and shall not practice unless and until a conditional registration certificate is issued as provided in subdivision three of this section. The individual licensee shall determine the selection of courses or programs of study pursuant to subdivision four of this section.

3. The department, in its discretion, may issue a conditional registration to a licensee who fails to meet the continuing education requirements established in subdivision two of this section but who agrees to make up any deficiencies and take any additional education which the department may require. The fee for such a conditional registration shall be the same as, and in addition to, the fee for the triennial registration. The duration of such conditional registration shall be determined by the department. Any licensee who is notified of the denial of registration for failure to submit evidence, satisfactory to the department, of completion of required continuing education and who practices dentistry without such registration, may be subject to disciplinary proceedings pursuant to section sixty-five hundred ten of this title.
4. As used in this section, "acceptable formal continuing education" shall mean formal programs of learning which contribute to professional practice and which meet the standards prescribed by regulations of the commissioner. To fulfill the mandatory continuing education requirement, programs must be taken from sponsors having at least one full-time employee and the facilities, equipment, and financial and physical resources to provide continuing education courses, approved by the department, pursuant to the regulations of the commissioner.
5. The mandatory continuing education fee shall be forty-five dollars, shall be payable on or before the first day of each triennial registration period, and shall be paid in addition to the triennial registration fee required by section six thousand six hundred four of this article.
6. On or after the effective date of this subdivision, and no later than the end of the first registration period commencing on or after such date during which he or she is required to comply with the continuing education requirements of this section, each dentist shall have completed on a one-time basis, as part of the mandatory hours of acceptable formal continuing education required by this section, no fewer than three hours in a course approved by the department in dental jurisprudence and ethics, which shall include the laws, rules, regulations and ethical principles relating to the practice of dentistry in New York state, provided that postgraduate dental students enrolled in New York state dental residency programs may satisfy the requirements of this subdivision by taking such an approved course during the period of their dental residency prior to their initial licensure.

	<p style="text-align: center;">and attested to in his or her records as prescribed in subdivision (f) of this section.</p> <p>d. Renewal of registration. At each reregistration, licensed dentists shall certify to the department that they have either complied with the continuing education requirements, as prescribed in subdivision (c) of this section; or are subject to an exemption or adjustment to such continuing education requirements, as prescribed in subdivision (b) of this section.</p> <p>e. Conditional registration.</p> <ol style="list-style-type: none"> 1. The department shall issue a conditional registration to a licensee who attests to or admits to noncompliance with the continuing education requirements of this section, provided that such licensee meets the following requirements: <ol style="list-style-type: none"> i. the licensee agrees to remedy such deficiency within the conditional registration period; ii. the licensee agrees to complete the continuing education requirement for any months of the conditional registration period prior to July 1, 2008 at the rate of one and one-quarter hours of acceptable formal continuing education per month and at the rate of one and two-thirds hours per month for the period beginning July 1, 2008 through the end of such conditional registration period; and iii. the licensee agrees to complete additional continuing education during such conditional registration period, which the department may require to ensure the licensee's proper delivery of dental care consistent with the licensee's practice of dentistry. 2. The duration of such conditional registration shall not exceed one year and shall not be renewed or extended. <p>f. Licensee records. Each licensee subject to this section shall maintain, or ensure access by the department to, a record of completed continuing education, which includes: the title of the program; the number of hours completed; the sponsor's name and any identifying number; attendance verification; the date and location of the program; and a statement attesting to the fact that for courses taken on or after January 1, 2000 from a sponsor that is deemed approved pursuant to paragraph (h)(2) of this section, the licensee, prior to taking the course, has verified that the sponsor has at least one full-time employee of any kind, meaning an employee who works at least 30 hours per week, and indicating the reasonable basis for this determination. Such records shall be retained for at least six years from the date of completion of the program and shall be available for review by the department in the administration of the requirements of this section.</p> <p>g. Measurement of continuing education study. Continuing education credit shall be granted only for formal programs of learning that meet the requirements set forth in subdivision (c) of this section. A minimum of 50 minutes of study shall equal one hour of continuing education credit. For credit-bearing university or college courses, each semester-hour of credit shall equal 15 hours of continuing education credit, and each quarter-hour of credit shall equal 10 hours of continuing education credit.</p> <p>h. Sponsor approval.</p>
